## Qualitative

**Is there any additional feedback you would like to provide about the instructor (e.g., teaching style, time management, accessibility)? -**

- One of the best professors I have had at UT. Your class was designed on us learning the material and actually teaching it where many classes nowadays rely too much on outside learning when teachers don't feel like actually teaching the class. Even with an uneasy environment in class (none of which is your fault) you taught with integrity and I respect you as a teacher and as a person.
- He's the coolest!
- Great professor

**Is there any additional feedback you would like to provide about the course (e.g., workload, content, technology)? -**

- All good
- Workload is manageable.
